G. N. NAGARAJA RAO, *Dy. Commr.*

OFFICE OF THE PUBLICITY OFFICER TO  
THE GOVERNMENT OF MYSORE, BANGALORE.

Notification dated 20th November 1946.

## PRESS NOTE.

The Government of India have, for some time past, been considering the question of prohibiting the smoking of opium in British India. The habit of opium smoking is not widely practised in India and is in fact looked down upon as a vice, generally. In fulfilment of their international obligations, the Government of India propose to enforce total prohibition of opium smoking in British India, exception being made in favour of existing addicts.

With a view to co-operating with the Government of India and to securing uniformity of practice in regard to this measure, the Government of Mysore have decided to prohibit altogether, the smoking of opium in the Mysore State, exception being made only in favour of existing addicts, so long as they survive, and subject to their producing medical certificates in terms to be prescribed on this behalf.

The Government of Mysore will, simultaneously with the Government of India, take necessary steps to implement this decision.
